Dear Parents,

The last two weeks have been actioned packed with lots of sporting and outdoor activities.

Yr 5-7 students had a great time at Port Vincent where they learned new skills or practised skills from 2018. The whole school was treated to two visits from the CROWS, where they learnt about positive lifestyles and positive places as well as learning some football skills from the players – Taylor, Ned, David & Lachlan. Evidence of their experience is written all over their faces.

Staff have been released to work with staff the other SYP Small Schools – Warooka and Stansbury in planning English units of work for multiple year level classes. This work will enhance the teaching and learning across all our schools and will benefit all students. Olivia and Denise attended the State

Literacy Summit in Adelaide where we heard from experienced educators from South Australia as well as International speakers who are managing literacy across schools.

Pastoral Care Worker

I am pleased to announce that the Pastoral Care Worker panel process has been completed and the successful applicant is Louise Lang, from Minlaton. I am excited that she will be working with the Curramulka School Community. Louise brings a wealth of knowledge and experience to the position.

We are hoping that Louise can start work next week.

STUDENT LEARNING

The R-3's took Mrs. P. on a town walk last week for our Geography lesson. Our photographers were Kourtney, Grace, Billy and Tara. They took photos of local landmarks to put on the map we are making of Curramulka. Emily Harris kindly accompanied us.

Thank you to Sarah Harris for organising a flag to promote our school at sports days and community events.
