

SCHOOL CONTEXT STATEMENT

Updated: April 2019

School number: 0114

School name: Curramulka Primary School

School Profile:

The school's core values are respect, responsibility and trust and these values are embedded in our everyday language and actions at the school. The school plays an important role in the community by ensuring that it is part of events in Curramulka like, memorial services, the Curry Light up Christmas event, heritage events and sporting occasions. The community in return is very supportive of the school in a range of ways.

The school maintains a high profile in the wider community with its emphasis on environmental education and sustainability. Students take an active role in managing the Curramulka Bush Parklands Project and the Edible Kitchen Garden Program.

The Sporting Program is strong with Sporting Schools Australia supporting the development of more non traditional sports. Students have the opportunity to participate in a range of SAPSASA and local Sporting Activities.

In 2016 a Christian Pastoral Care Support worker was appointed to the school and supports our school program one day per week.

Students (and their welfare)

- **General characteristics**

The school serves 17 families, some of which live in or close to the town. Other families travel to school on buses. There is a low level of transience in the present school population.

- **Student management**

In our school we aim to:

Provide a safe, caring, and productive environment free of bullying and harassment.

Provide all students with significant learning opportunities and the support for all students to experience success.

Promote positive and responsible behaviour.

Student leadership through SRC is a significant aspect of the school culture.

3. Key School Policies

- Site Improvement Plan and other key statements or policies:

A new 3 year Site Improvement was developed late Term 4, 2018 and refined in Term 1, 2019 to reflect the Departments focus on “Making SA a World Class System” through the focus on Literacy and Numeracy teaching and improving student growth.

2019 the two main focus areas are:

- Improve student achievement in number sense and place value across R-7.
- Increase the size of vocabulary, the number and variety of words, that students know across R-7.

At Curramulka Primary School students engage in a range of authentic learning opportunities that are aligned with the Australian Curriculum. These opportunities are also informed by the 2017 external review directions that involve, continuing to embed intellectual stretch, involve students in goal setting and analysing data to inform teaching and learning.

To support learning improvement staff attend a range of professional learning sessions based on the Site Improvement Plan. In 2019 the staff is working in a Small Schools Cluster with Warooka PS and Stansbury PS. Staff also participate in collaborative moderation with like year level staff across the Southern Yorke Peninsula Partnership.

Student assessments have provided the opportunity for students to demonstrate their deep thinking and understanding in all areas of learning. Regular student sharing has encouraged them to become articulate in describing the learning goals and outcome of their learning.

Parent, student, teacher interviews are valued as it provides students the opportunity to articulate their thoughts and achievements with their learning.

The students and staff engaged with neighbouring sites for a range of learning opportunities.

4. Curriculum

- **Subject offerings**

All prescribed areas of the curriculum are offered.

Literacy, Numeracy and Student Well-being remain strong foci.

The school is divided into two classes – Lower Primary (R-2) and Upper Primary (3-7) with programs developed to meet individual student learning needs.

Class sizes are small, enabling favourable teacher/student ratios.

Both classes have additional SSO support – An extensive Literacy intervention programme has been established and continues to operate supporting classroom teaching programmes.

The school is well equipped with laptops and Ipads with students at various stages of skill acquisition.

- **Assessment procedures and reporting**

Parent teacher interviews are held early in the year. A detailed report is sent home at the end of Term 2. Parents can request an interview at any time of the year. A summary Summative Report is sent home in Term 4.

5. Sporting Activities

The local community is strongly committed to sport and student representation in SAPSASA teams is high. The school competes very strongly and successfully, despite small numbers, in the Southern Yorke Peninsula SAPSASA events, occasionally combining with other small schools to enable a team to be entered.

There is a joint sports day combined with Stansbury Primary School in Term 1. This is following by an Interschool Sports Day with combined primary enrolments from all SYP schools.

6. Other Co-Curricular Activities

Students participate in a wide range of Environmental Education programs with an ongoing “Curramulka Parklands” project the focus of this program.

7. Staff (and their welfare)

- **Staff profile**

There exists a very strong commitment to teamwork, mutual help and support is a feature of staff operation.

Ancillary staff provides direct and valuable assistance in student learning via class support and intervention programmes.

- **Leadership structure**

The Principal is responsible for the day to day running of the school and all staff members are on the PAC.

- **Staff support systems**

All teachers plan closely together to ensure continuity in programming, specifically in numeracy and literacy.

Staff have access to appropriate training and professional development.

- **Performance Development**

Curramulka Primary School follow the Department's Performance Development system, which supports all staff members to identify learning needs and receive feedback on their performance.

Staff receive recognition of achievements through staff meetings, the school newsletter, and the local press and at Governing Council.

- **Staff Utilisation**

SSO support staff are utilised to support teachers in their curriculum delivery. SSO staff support the Intervention programme and work with individual students.

Access to special staff is via the Support Services Channel.

8. Incentives, support and award conditions for Staff

- **Housing assistance**

There are no government houses in Curramulka (private rental is very occasionally available in Curramulka and in neighbouring Minlaton). Government employee housing is very limited on the Southern Yorke Peninsula.

- **Relocation assistance**

Some form of relocation assistance may be provided.

9. School Facilities

- **Buildings and grounds**

An old stone building with additions accommodates the Junior Primary classroom, Principal's Office, Front Office, staff room and art/craft teaching spaces. A new Gymnasium was built on the school oval in 2011 and is used for a variety of purposes.

There are two transportable classrooms, a resource centre and a colorbond shed, which is used as a "hands on / making" technology space.

There is a grassed oval across the road from the main block.

The toilet block has ramp access and is fitted with hand driers and a shower.

There are excellent resources at Curramulka PS. A well stocked library with a good range of fiction/non fiction reading material.

There are 20 curriculum computers and 3 administration machines. Three classrooms are fitted with interactive televisions. iPads are shared between the classes.

- **Student Facilities**

Students can order lunches through the local shop.

- **Staff facilities**

All staff have a Department email address and access to the Internet via the use of 3 administration machines as well as class computers.

- **Access for students and staff with disabilities**

There is disabled access to toilets.

Disabled access is available to one of the transportable classrooms.

- **Heating and cooling**

The school has reverse cycle air conditioning through the school.

10. School Operations

- **Decision making structures**

All staff are involved in decision making which is by consensus. Being a small school, there are ample opportunities for staff interaction so decision-making is not confined to weekly staff meetings.

- **Regular publications**

A parent handbook is kept up to date and made available to all parents. A School Newsletter is produced fortnightly.

The Emergency Management Plan, Student Behaviour Policy, Anti-Bullying policy and Grievance Procedures are reviewed annually.

- **Other Communication**

The school has a closed Facebook page which is accessed regularly by parents.

School news items are placed on public display at the local shop and contain community notices as well as school news.

Items of interest are sent to the local paper, "The Country Times" and School Scoops are included in the local Curramulka Newspaper – The Warbler.

- **School financial position**

The school is in a sound financial position with no major commitments.

11. Local Community

- **General characteristics**

Within the town there is a hotel, general store and a rural supplies store. There is a blue stone quarry near the township. The town has a small population but is supported by the surrounding farming community. The town has a proud history with many heritage buildings.

- **Parent and community involvement**

We currently have 6 Governing Council members with voting rights.

Some parents are involved through working bees, tree planting days, etc.

Community support for the school remains strong and the school is visited by a wide cross section of the community. Local residents are happy to be involved in special activities. Local people have access to a wide range of sporting activities but all require participants to travel for some fixtures.

- **Feeder schools**

Curramulka is a feeder school for Minlaton District School. Transition activities occur with students from Minlaton and Stansbury schools.

- **Other local care and educational facilities**

Playgroup occurs weekly on the school site.

Early Learning facilities are available at Minlaton 14 km away and there is a strong transition to school program.

- **Commercial/industrial and shopping facilities**

Minlaton has a wide range of stores and businesses to satisfy most needs.

- **Other local facilities**

Medical facilities are available in Minlaton but the nearest hospitals are at Yorketown, Ardrossan or Maitland.

Curramulka lies central to Spencer Gulf and St Vincent's Gulf. Beautiful beaches are only a 15-minute drive away on sealed roads in either direction.

It is only a 50-minute drive to the magnificent Innes National Park.

- **Local Government body**

The Yorke Peninsula Council has an office in Minlaton.

12. Further Comments

The school has a caring family atmosphere and is strongly supported by parents and community.
