Dear Parents,

Students were very keen to be back at school on day 1, especially spending time with their friends. I hope you all managed to enjoy the holiday break.

Staff farewelled Patsy McBurney at a morning tea in the last week of term, wishing her all the best for retirement. However, we are very lucky to have Patsy continue to support the school in a voluntary capacity.

This term, students will be involved in Naplan Online (yrs 3, 5 & 7), SAPSASA Athletics, Football and Netball state competitions, R-7 Archery workshops, organisation for the Term 3 camps in amongst their normal curriculum routines.

During the holidays painting was completed in Room 2 (playgroup & teaching space), walls of the library and all the toilets. External doors to these areas was also done to protect the woodwork. We have been allocated as a priority to remove the last of the asbestos in the school sometime this term. This means the Art Room will be out of action for a few weeks, but the benefit will be worth the short term inconvenience.

Staff will continue to focus on our Site Improvement Plan- Challenges of Practice in Literacy and Numeracy with continued support from our Small School Cluster and Pupil Free Day training and development opportunities.

Just a reminder as we enter the winter season and the time when people are often unwell. Please reduce the spread of infection across the school by keeping your child/ren home if they are visibly not well. Thank you to parents who have been doing this already. Rest is often the best medicine.

The new website is now ready for public viewing. It can be found at <https://curramulka.sa.edu.au>

Regards, Denise
