Dear Parents,

In the last two weeks we have dived into sports and learning opportunities across R-7. We have engaged in athletics training for our Combined Sports Day this Friday. A big thank you to Jenny Hansen who has come into our school for some specialised sports day training with both classes. We have made sausage rolls and chutney from our garden produce as part of our cross curriculum activities and our Lower Primary class is doing noodle art.

Sports day

The day starts at 8:45 with a short welcome announcement and students will begin competing at 8:50. Children are required to be at school by 8:20am or at the oval with parents by 8:30am. GO CURRY!!!

Volleyball

We have competed in the annual Beach Volleyball competition at Glenelg beach on Thursday the 4th of March. We combined with Stansbury Primary School for the day and definitely enjoyed competing.

Garden to plate

As part of our cooking and garden program. We made Pork Veal and Apple Sausage rolls. YUM

Kind Regards
Robbie Hering
